## SECURE YOUR DRINKS AND TAKE THEM OUT TO-GO WITH OUR SEALING FILMS!

Karat® sealing films is available in both PET and PP material. One roll of PP sealing film can seal up to 3,000 or more cups, while PET sealing film can seal 2,000 or more cups. These sealing films are compatible with sealing machines, and custom print is possible upon request. With our sealing films, you can make sure your drinks are secure for your customers that are taking them to-go!
